Price: \$799

Overview

On behalf of the Organizing Committee we take great pleasure in welcoming Fish Pathology & Physiology, Aquatic Immunology, Aquatic Physiology professors and experts of application fields to Prague, Czech Republic for the 2nd International Summit on Fisheries & Aquaculture to foster the progress in the field by contributing with your expertise to what promises to be a very comprehensive and exciting meeting, and to enjoy the immense unique artistic heritage and wonderful landscape of Czech Republic. The aim of the Fisheries and Aquaculture-2019 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists and engineers by bringing together again the world class researchers, International Communities and Aquaculture heads to discuss the latest developments and innovations in the fields of Fisheries and Aquaculture.
