

4th International Conference on Material Engineering and Smart Materials (ICMESM 2019)

Friday 09 Aug 2019, 09:00AM
Monday 12 Aug 2019, 06:00PM

Engineering & Technology, Nanotechnology & Smart Materials

Congress and Exhibition Palace of Castilla y León
Cuesta de Oviedo, s/n
37001 SalamancaCity Salamanca
Spain

Price: \$350

Overview

ICMESM is an annual conference which explores the development and implications in the related fields of Material Engineering and Smart Materials with an objective to present the novel and fundamental advancements. As a workshop of ICDMM 2019, it serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in improving Material Engineering and Smart Materials related techniques.
