

European Congress on Nanotechnology and Materials Science Engineering

Monday 13 May 2019, 08:00AM
Tuesday 14 May 2019, 06:00PM

Engineering & Technology, Nanotechnology & Smart Materials

Hotel Mercure Brussels Airport
Avenue Jules Bordet 74
1140 Bruxelles
Belgium

Price: 482 €

Overview

LONGDOM conferences will offer delegates the opportunity to be fully briefed on the current situation within the Nanomaterials and gain an update on the latest developments in terms of technical policy and funding. With more than 200 sessions, the LONGDOM conferences touch on nearly every topic, including key trends and emerging technologies. Get the big picture, the future landscape/deeper understanding of emerging technologies with LONGDOM conferences sessions.
