

Real World IBD: Dilemmas and Discussion 2019

Saturday 05 Oct 2019, 07:00AM - 04:00PM

Healthcare & Pharmaceutical, Radiology

InterContinental - Minneapolis-St. Paul Airport
5005 Glumack Drive
Minneapolis, MN 55450
United States

Price: \$375

Overview

This one-day course provides clinicians, nurse practitioners and physician assistants with state-of-the-art information on diagnosis and management of inflammatory bowel disease with emphasis on a multidisciplinary approach to patient care. Invited speakers are experts from the inflammatory bowel disease clinic, radiology and colorectal surgery. The course format offers didactic lectures, panel discussions and Q&A. Active audience participation is strongly encouraged.
