Overview

Extending opportunities to inspect modern meat processing, packaging equipment, technology and retail solutions in meat production Livestock Philippines is the Philippines' International Livestock Nutrition, Health and Production, and Meat Industry Expo has developed an outstanding reputation since 2011 as the Philippines' premier event for the livestock, feed milling and meat industries and continues to grow bigger and better with each show. Supported by the Department of Agriculture, Livestock Philippines is the event that will bring together thousands of decision makers including integrators, farmers, feed millers, pre-mixers, meat processors, slaughter houses, veterinarians, distributors, retailers and other industry.
